

LOCAL RULES

1. MARKER STAKES

- i) Blue stakes indicate young trees and protected flower beds.
- ii) Red and yellow stakes indicate penalty areas. The ends of a ditch are marked by double stakes. These stakes are movable obstructions.

2. PENALTY AREAS

Only those areas marked with red or yellow stakes and/or lines are penalty areas. In taking relief from a red penalty area, two club-length relief from equidistant points on either margin is available only when the ball is in a ditch. Equidistant point relief is not available from ponds or other penalty areas.

3. OUT OF BOUNDS

On any hole - outside the boundaries of the course and where marked by stakes or posts painted white; and the line of any fences which interconnect such posts.

- i) The car park on the right of the 1st hole and sports courts on the left are out of bounds.
- ii) On any hole, on or beyond the Fan Kam Road is out of bounds. N.B. All fences along the Fan Kam Road are deemed to be boundary objects, from which no free relief is available.
- iii) The first hole of the Eden Course and the clubhouse area beyond it are out of bounds.

4. INTEGRAL OBJECTS

- i) Flower beds and young trees are integral objects unless marked with a blue stake.
- ii) All constructions (other than bridges) lying within the margins of penalty areas are integral objects.
- iii) Sandmesh on the hillsides is an integral object. If loose, it is a movable obstruction.

5. OBSTRUCTIONS

- i) Greenside fixed sprinkler heads intervening on line of play, within two club-lengths of the green and of the ball: free relief is available. The relief area has a radius of one club-length.
- ii) When taking relief from the fences on holes 11/13 and 16/17, the player must determine the nearest point of relief without crossing over, through or under the obstruction.
- iii) When taking relief from the netting by 17 tee, the player has the option of treating it as an immovable or movable obstruction.

6. GROUND UNDER REPAIR (G.U.R.)

Indicated by a sign or white line.

- i) A ball in a bunker that is wholly under repair is deemed to be lying in G.U.R. general area.
- ii) Seams of newly laid turf are G.U.R. and free relief is available if they interfere with the lie of the ball or the area of intended swing (but not if they only interfere with the stance). The turf itself is not G.U.R. unless so marked with a line and/or sign.

7. ENVIRONMENTALLY SENSITIVE AREAS

These areas on hole 7 are marked with red stakes with white tops. Players and caddies are prohibited from entering these areas to search for a ball or to play a stroke. Penalty for breach: loss of hole in match play and 2 strokes in stroke play for each stroke played.
